DAY 3 STATUE OF LIBERTY/ELLIS ISLAND - DINNER & BROADWAY SHOW

Wake to another fantastic day in the "city that never sleeps". Enjoy breakfast before traveling to Battery Park where we will board a ferry to historic Liberty National Park. See the impressive Statue of Liberty. Towering more than 300 feet above the bay, Lady Liberty continues to hold her vigil as she has since 1886. Next stop is Ellis Island, the nation's point of entry for some 12 million people who immigrated to the U.S. between 1892 and 1954. View the American Immigrant Wall of Honor and various exhibitions chronicling the history of the island and its processing station. You have time for lunch on Ellis Island. Return to the hotel for some free time to explore the city before getting ready for our last night "out on the town". Tonight, have a scrumptious farewell dinner with our newfound friends. Then take our reserved seats at another incredible Broadway Show! (B,D)
