The Board of Directors and Trustees would like to take this opportunity to thank the Donors and Sponsors for your support of the Fallen Hero Memorial Trap Shoot. With your support and commitment to our community we raised $12,252.44, these proceeds were split equally between the Chetek and Cameron Police Departments.

It is unfortunate that we needed to hold such an event due to a tragedy in our community, in the same token it was awesome to see the community come together and support this fundraising effort. Chetek Police Chief Ron Ambrozitis and Cameron Police Chief Adam Steffen asked that we include them in this thank you letter, Ron and Adam want you to know that they are grateful for the overwhelming support from area businesses and national corporations and that your response was truly amazing.

This event would not have been possible without your involvement, we have received tremendous feedback from attendees along with requests to continue hosting this event. We hope that we can count on your continued support next year as we move forward with an annual fundraising Trap Shoot. It is our goal to continue with a trap shoot selecting different First Responder Agencies from our area as recipients of the fundraising proceeds.

Thank you again for your support towards our community First Responders.

Dear Kelly,

Thank you for your generous gift of $5,000.00 to the Child Loss Foundation received on 04/02/2026.

Please use this letter as record of your sponsorship of the Walk for Child Loss benefiting the Child Loss Foundation.

Your support provides grieving parents with the compassion and care they need after the unimaginable loss of a child. The Child Loss Foundation supports parents grieving the death of a child with resources, connection, and guidance as they navigate their individual grief journey. Your donation helps make this possible—through child loss retreats, financial assistance, and return-to-work support for families in need.

Your generosity ensures no family walks this path alone.
